CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

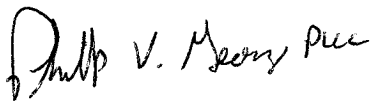

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

We have audited the accompanying statement of financial condition of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2009, and the related statements of income, changes in partners' capital, changes in liabilities subordinated to the claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2009, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

Note 1 - Nature of Business and Summary of Significant Accounting Policies

Nature of Business:

Braymen, Lambert and Noel Securities, Ltd. (the Partnership), a Texas limited partnership, was formed in December 2002. The Partnership is a broker/dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership's customers are primarily institutions and high wealth individuals located in Texas.

The Partnership operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of that Rule. The Partnership does not hold customer funds or securities, but as an introducing broker or dealer, will clear all transactions on behalf of customers on a fully disclosed basis through a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

The general partner of the Partnership is BLN Management, LLC (General Partner). The General Partner has the authority to manage and control the business affairs of the Partnership.

The Partnership terminates on December 31, 2052, unless sooner terminated or extended as provided in the partnership agreement.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash, receivables and accrued expenses are short-term in nature and accordingly are recorded at fair value or amounts that approximate fair value.

Security Transactions

Security transactions and related commission revenue and expense are recorded on a trade date basis.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements

Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)

Income Taxes

The Partnership files income tax returns in the U.S. federal and state of Texas jurisdictions. The Partnership is subject to U.S. federal or state tax examinations by tax authorities for years all years since its inception. Taxable income or loss of the Partnership is included in the income tax returns of the partners; therefore, no provision for federal income taxes has been made in the accompanying financial statements. The Partnership is subject to state income taxes.

Note 2 - Transactions with Clearing Broker/Dealer

The agreement with the clearing broker/dealer provides for clearing charges at a fixed rate multiplied by the number of tickets traded by the Partnership. The agreement requires minimum charges totaling \$2,500 per month. The agreement also requires the Partnership to maintain a minimum of \$100,000 as a deposit in an account with the clearing broker/dealer.

Note 3 - Net Capital Requirements

The Partnership is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2009, the Partnership had net capital and net capital requirements of \$203,593 and \$100,000, respectively. The Partnership's net capital ratio was .83 to 1.

Note 4 - Off-Balance-Sheet Risk and Concentration of Credit Risk

As discussed in Note 1, the Partnership's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Partnership and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Partnership. The Partnership seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that customer transactions are executed properly by the clearing broker/dealer.

The Partnership's receivable from clearing broker/dealer and clearing deposit are held at or due from the Partnership's clearing broker/dealer. The Partnership has a total of \$310,526, or approximately 83%, of its assets in amounts held at or due from its clearing broker/dealer at December 31, 2009.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements

Note 5 - Related Party Transactions

The Partnership and the General Partner are under common control and the existence of that control creates a financial position and operating results significantly different than if the companies were autonomous.

Under a Services Agreement effective December 2002, the General Partner provides the Partnership with personal property, support staff and office space and incurs general and administrative expenses for the benefit of the Partnership. Fees for such services are determined at the discretion of the General Partner. The Agreement allows the Partnership to waive any such portion of the fees in order for the Partnership to remain in compliance with the minimum net capital requirements (Note 3). Fees incurred for the year ended December 31, 2009 under this Agreement totaled \$300,916. The Agreement was not consummated on terms equivalent to arms length transactions.

Note 6 - 401k Profit Sharing Plan and Trust

The Partnership adopted the BLN Securities 401(K) Plan (the Plan) effective January 1, 2003. The Partnership and eligible employees both may contribute to the Plan. The Plan is on a calendar year. All employees are eligible to participate after reaching the age of 21 and completing one-half year of service. Employee salary deferral contributions, any matching and/or nonelective contributions, and earnings on these contributions are 100% vested. The Partnership can contribute an amount of matching and/or nonelective contributions as determined by the Partnership at its discretion. The Partnership may or may not choose to make matching and/or nonelective contributions for a particular year in an amount it will determine each year. The Partnership did not make any matching contributions for the year ended December 31, 2009. The Partnership made non elective contributions totaling \$4,751 and incurred Plan expenses totaling \$2,702 for the year ended December 31, 2009, which are included in compensation and related costs in the accompanying statement of income.

Note 7 - Subsequent Events

The Partnership has evaluated subsequent events through January 28, 2010, the date which the financial statements were available to be issued.

PHILLIP V. GEORGE, PLLC
CERTIFIED PUBLIC ACCOUNTANT

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17A-5(G)(1)**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In planning and performing our audit of the financial statements of Braymen, Lambert and Noel Securities, Ltd. (the Partnership), as of and for the year ended December 31, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

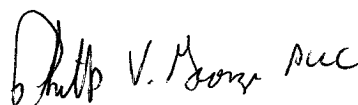

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT
RECONCILIATION**

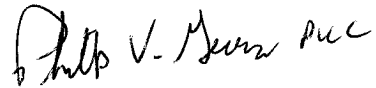

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2009, which were agreed to by Braymen, Lambert and Noel Securities, Ltd. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Braymen, Lambert and Noel Securities, Ltd.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). Braymen, Lambert and Noel Securities, Ltd.'s management is responsible for the Braymen, Lambert and Noel Securities, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement record entries noting no differences;
2. Compared the amounts for the period April 1, 2009 to December 31, 2009 contained within the report on the audited Form X-17A-5 for the year ended December 31, 2009, with the amounts reported in Form SIPC-7T for the period April 1, 2009 to December 31, 2009 noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

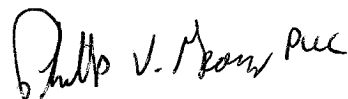

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

We have audited the accompanying statement of financial condition of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2009, and the related statements of income, changes in partners' capital, changes in liabilities subordinated to the claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2009, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

Note 1 - Nature of Business and Summary of Significant Accounting Policies

Nature of Business:

Braymen, Lambert and Noel Securities, Ltd. (the Partnership), a Texas limited partnership, was formed in December 2002. The Partnership is a broker/dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership's customers are primarily institutions and high wealth individuals located in Texas.

The Partnership operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of that Rule. The Partnership does not hold customer funds or securities, but as an introducing broker or dealer, will clear all transactions on behalf of customers on a fully disclosed basis through a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

The general partner of the Partnership is BLN Management, LLC (General Partner). The General Partner has the authority to manage and control the business affairs of the Partnership.

The Partnership terminates on December 31, 2052, unless sooner terminated or extended as provided in the partnership agreement.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash, receivables and accrued expenses are short-term in nature and accordingly are recorded at fair value or amounts that approximate fair value.

Security Transactions

Security transactions and related commission revenue and expense are recorded on a trade date basis.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements

Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)

Income Taxes

The Partnership files income tax returns in the U.S. federal and state of Texas jurisdictions. The Partnership is subject to U.S. federal or state tax examinations by tax authorities for years all years since its inception. Taxable income or loss of the Partnership is included in the income tax returns of the partners; therefore, no provision for federal income taxes has been made in the accompanying financial statements. The Partnership is subject to state income taxes.

Note 2 - Transactions with Clearing Broker/Dealer

The agreement with the clearing broker/dealer provides for clearing charges at a fixed rate multiplied by the number of tickets traded by the Partnership. The agreement requires minimum charges totaling \$2,500 per month. The agreement also requires the Partnership to maintain a minimum of \$100,000 as a deposit in an account with the clearing broker/dealer.

Note 3 - Net Capital Requirements

The Partnership is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2009, the Partnership had net capital and net capital requirements of \$203,593 and \$100,000, respectively. The Partnership's net capital ratio was .83 to 1.

Note 4 - Off-Balance-Sheet Risk and Concentration of Credit Risk

As discussed in Note 1, the Partnership's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Partnership and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Partnership. The Partnership seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that customer transactions are executed properly by the clearing broker/dealer.

The Partnership's receivable from clearing broker/dealer and clearing deposit are held at or due from the Partnership's clearing broker/dealer. The Partnership has a total of \$310,526, or approximately 83%, of its assets in amounts held at or due from its clearing broker/dealer at December 31, 2009.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements

Note 5 - Related Party Transactions

The Partnership and the General Partner are under common control and the existence of that control creates a financial position and operating results significantly different than if the companies were autonomous.

Under a Services Agreement effective December 2002, the General Partner provides the Partnership with personal property, support staff and office space and incurs general and administrative expenses for the benefit of the Partnership. Fees for such services are determined at the discretion of the General Partner. The Agreement allows the Partnership to waive any such portion of the fees in order for the Partnership to remain in compliance with the minimum net capital requirements (Note 3). Fees incurred for the year ended December 31, 2009 under this Agreement totaled \$300,916. The Agreement was not consummated on terms equivalent to arms length transactions.

Note 6 - 401k Profit Sharing Plan and Trust

The Partnership adopted the BLN Securities 401(K) Plan (the Plan) effective January 1, 2003. The Partnership and eligible employees both may contribute to the Plan. The Plan is on a calendar year. All employees are eligible to participate after reaching the age of 21 and completing one-half year of service. Employee salary deferral contributions, any matching and/or nonelective contributions, and earnings on these contributions are 100% vested. The Partnership can contribute an amount of matching and/or nonelective contributions as determined by the Partnership at its discretion. The Partnership may or may not choose to make matching and/or nonelective contributions for a particular year in an amount it will determine each year. The Partnership did not make any matching contributions for the year ended December 31, 2009. The Partnership made non elective contributions totaling \$4,751 and incurred Plan expenses totaling \$2,702 for the year ended December 31, 2009, which are included in compensation and related costs in the accompanying statement of income.

Note 7 - Subsequent Events

The Partnership has evaluated subsequent events through January 28, 2010, the date which the financial statements were available to be issued.

Note: The above computation does not differ from the computation of net capital under Rule 15c3-1 as of December 31, 2009 as filed by Braymen, Lambert and Noel Securities, Ltd. on Form X-17A-5. Accordingly, no reconciliation is deemed necessary.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17A-5(G)(1)**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In planning and performing our audit of the financial statements of Braymen, Lambert and Noel Securities, Ltd. (the Partnership), as of and for the year ended December 31, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

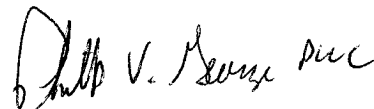

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT
RECONCILIATION**

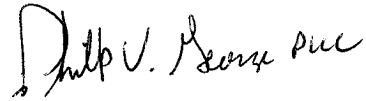

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2009, which were agreed to by Braymen, Lambert and Noel Securities, Ltd. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Braymen, Lambert and Noel Securities, Ltd.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). Braymen, Lambert and Noel Securities, Ltd.'s management is responsible for the Braymen, Lambert and Noel Securities, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement record entries noting no differences;
2. Compared the amounts for the period April 1, 2009 to December 31, 2009 contained within the report on the audited Form X-17A-5 for the year ended December 31, 2009, with the amounts reported in Form SIPC-7T for the period April 1, 2009 to December 31, 2009 noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
